Renovation Project '74 - Drive Set

TO: PARISHIONERS AND FRIENDS OF ST. JOHN'S
FROM: FR. HARVEY

If you have had occasion to use the lavatory facilities in the church basement or had the experience of stepping on co-workers in our church kitchen and side-stepping puddles of water in the meantime, or have just been present in the church hall with visual and olfactory faculties in working order, the announcement that there are plans to renovate the entire area beneath the church sanctuary will come as welcome news. In this brief space, I would like to present a synopsis of plans, strategy and rationale for the intended renovation.

WHAT WILL BE RENOVATED AND WHY?

At present time, the deteriorated conditions of both kitchen and lavatory facilities fall far below basic health codes. We must remember that a church building and hall which serves the public, as our building does, is subject to all local and state laws and codes which regulate public buildings. And to this extent, the intended renovation is not a luxury but a real necessity. The hall area itself, while not in the extreme need of repair manifested by the kitchen and lavatory areas, does need some serious attention beyond another coat of paint. Several parishioners can recall that their marriages and the Baptisms of some of their children took place in our church hall which, at that time, served as the worship area before the present sanctuary and nave were constructed. While some changes and improvements have been made over these many years, no extensive remodeling has occurred in the basement area. From the standpoint of years of service, the present church hall area has served as a variety for thousands of people. Fortunately the entire basement area is spacious. In fact, a hall of our size is premium space in this area today. At the present time, the hall is regularly used three days a week. In addition to regularly scheduled parish dinners, bingos, bazaars and bake sales, boy scout meetings, coffee hours and receptions, we host several funeral dinners for families and friends of deceased parishioners, wedding receptions, civic and area church related meetings and a host of special projects throughout the year. It is hoped that when the area is able to be renovated, supervised rental usage for occasions such as wedding receptions, etc., will increase.

WHO IS PLANNING THIS RENOVATION PROJECT?

Some months ago, the Parish Council was asked to select the priority item from a list of special projects and needed improvements for our parish. The renovation of the basement area in church was determined as the area needing urgent attention. The Administration Commission was then charged with the responsibility of fulfilling the Council's request. The Administration Commission retained the architectural firm of James P. Wong and Associates for this project. Mr. Wong has met with members of the Administration Commission, representative members of the Service Commission and myself, to ascertain our needs. The architect will provide a complete set of specifications for the total renovation project. (A sketch is available at the present time in the main vestibule of the church.) Since the project involves the coordination of various engineering and trade skills, it is necessary to have an approved and detailed plan for proceeding as we are financially able to do so.

HOW WILL THE PROJECT BE FINANCED?

Obviously, the scope of the intended renovation is far beyond what our normal operational budget would ever allow. At the suggestion of the Administration Commission and with the approval of the Council, a ten-week special fund drive has been planned. Beginning next Sunday, Feb. 10, and concluding Easter Sunday, every registered parishioner and family is asked to consider what monetary response they are able to sacrifice for this project. A special pink, dated envelope

RENOVATION PROJECT '74 (Continued from page 1)

has been provided for each of the ten Sundays during which time this fund drive will be in progress. Since the special appeal will extend throughout the Lenten Season, the sacrifice we are all called to make at this time, hopefully, add incentive to our spirit of giving.

Although the final estimated cost of renovation has not been accepted at this writing (the Administration Commission meets two days from now), the figure of $80,000.00 is realistic. By next week, we will be able to print a breakdown of this rather sizable sum. The figure of $80,000.00 of course includes new kitchen equipment, required venting systems, etc., along with the complete face-lift. Conceivably, our goal can be reached with 100% cooperation. If every registered parishioner and family was able to PLEDGE $10.00 PER WEEK during this ten-week drive, our goal would be accomplished! While this special fund drive will end on Easter Sunday, some may wish to have additional time to complete their pledge. To this end, pledge cards will be available today. Thankfully, we have successful experience to encourage us. Most of us recall the year of 1969 when the church itself was so beautifully redecorated and renovated, through the special ten-week drive that was conducted at that time. We pray for similar generosity now.

A BEGINNING MADE

A beginning for a successful appeal has already been made. The Estate of the late Alfred E. Walters has bequested $20,000.00 to our parish. The late Joseph J. Ely, though not a member of our parish, also recently bequested $1,000.00 to St. John's. Some parishioners who became interested in this present renovation project when we first discussed it last September, have also made pledges, some in the amount of $500.00 and one in the amount of $1,000.00. May such concern and generosity help spark each of our own responses.

Though I realize that many questions most likely still remain in some minds, I hope that they will be asked and answered in the coming weeks. We would be most happy to hear from you.

HOW MUCH YOU GIVE – TELLS US HOW MUCH WE CAN DO FOR YOU.

THEY CARED ENOUGH

The people spoke on Sunday, Jan. 20th. They came in the freezing rain and packed Kennedy Square in Detroit. Judges, politicians, ministers, priests, doctors and nurses put their reputations behind their speeches.

Lt. Governor James Brickley pledged his support in the effort to bring about the Amendment to the Constitution. This Amendment would override the Supreme Court decision of last year which allows abortion - for any reason - in the first three months of pregnancy, and for little reason thereafter. Hundreds of thousands of women have allowed their babies' lives to be terminated this past year.

Mrs. Jaeger, whose daughter was kidnapped while camping this past summer spoke and said that so much effort was expended to save the life of one little girl - how much more important to save LIFE itself.

Here are the local people who gave their Sunday afternoon because they had the courage of their convictions. It is not easy to do these things:

Bud Murdock
Betty Lemmer
Charles and Gladys Gorman
Dick Kauth
Jacqui Gannon
Annette Peters
Marjorie Kauth
Jill Anhut
Bill and Mary Claire Anhut
Marshall Brown
Marie Lemmer
Genevieve Bies
Sister Sheila
Cindy Kay
Jennifer Gannon
Beth Gannon
Judy Buky
Bob Wild
Vincent Kauth
Tim Kay
Rita Buky
Pat Kay
Elwyna Sheppard
Mary Ann Tice
Charlie Anhut
Kathy Tice
Patty Kauth

We are especially grateful to St. John's for providing the bus and driver to take us to Detroit. Having only to pay for gas, our expenses were minimal.

Thanks, too, to Francis Brauer, Imelda Haug, Mary Koch, Donnie Stokes, Betty Racine, Millie Kauth, Irene Laurain, Jane Griener, Kay Baker and Bernice Sullivan who helped with the phoning.

Surely, with so many generous people, we can force the Amendment to the Constitution.

PENANCE SERIES

"Have constructive values disappeared from our society?" "In these days of Watergate are there any moral guidelines for us and future generations to follow?" "How do people develop values in our lives?" If these questions interest you the second session of the Penance Series to be held this Monday, Feb. 4, at 7:30 should prove exciting. Sister Anne will address herself to these issues and the stages of moral development with input from recent studies in this area. Come and discover where you are morally and how you can help your children to grow in this area.

IN THE PEACE OF CHRIST

Mrs. Charles (Pernie) Garber

Our prayers and sympathy are extended to the families of those who have suffered death of their loved ones this past week.

Mrs. Pernie F. Garber, age 53, passed away on Monday evening, Jan. 28, 1974, at her home, 624 N. Mansfield.

Pernie is survived by her husband, Charles, her mother and five sisters.

Mass of Christian Burial was celebrated on Wednesday morning in our church by Fr. Harvey. Sister Anne and Sister Mary assisted as lector and cantor, respectively. Another Funeral Mass was celebrated at St. Bernard's Church in Akron, Ohio where burial also took place.

We pray that as Pernie so heroically and faithfully shared in the sufferings of Christ while she lived among us, she may now live in the peace and love of that same Lord.

Robert E. Schrepper

We are, likewise, saddened by the sudden death of Mr. Robert E. Schrepper who died on Tuesday, Jan. 29, 1974. Bob was a familiar face around this city and especially in our parish. Few weeks ever passed without Bob Schrepper being summoned for assistance or his own offer of help to serve this parish in any way he was needed.

Bob is survived by his wife, Irene, and one daughter, Mrs. Edward (Joan Leininger), three grandchildren and two sisters.

Bob and Irene celebrated their Golden Wedding Anniversary here in 1972.

Mass of Christian Burial was celebrated by Fr. Harvey on Friday, Feb. 1, 1974. Concelebrating the Funeral Mass were Fr. King and Fr. Krieg. Burial followed in St. John's Cemetery.

***

Juanita VerVaecke, age 60, passed away Jan. 29, 1974. She is survived by her husband, Lawrence, one son and two daughters. Prayer Services were conducted in Moore Memorial Chapel on Friday by Fr. Philippon. Burial followed in Washtenong Memorial Park.

***

We also extend our remembrance to Bob and Bill Ely of this parish who buried their father, Joseph J. Ely, on Saturday, Jan. 26, 1974, here in Ypsilanti.

***

"The life and death of each of us has its influence on others; if we live, we live for the Lord; and if we die, we die for the Lord, so that alive or dead, we belong to the Lord."

Rev. David Harvey,

A special thank you for the beautiful service at the Anniversary Mass. Our family who came from Dearborn, Hamtramck, Royal Oak, Warren and Detroit found the ceremony moving. The music and singing was heavenly, as we who witness it every Sunday know very well. The reception was enjoyed by all very much. There are many people who made it all lovely.

To everyone who did so much to make it a memorable occasion, our grateful thanks.

Thank you so much,

ASSIST A YOUNG MAN TO THE PRIESTHOOD THROUGH YOUR WILL

Each year over 50 young men, aspiring to the priesthood, depend on financial assistance from the diocese. This expenditure annually exceeds $90,000.00. The (Bishop) Joseph H. Albers' Trust Fund for Diocesan Vocations permits our faithful to directly support the cause of vocations by gifts and bequests.

Your will is the legal way of controlling the charitable contributions of your estate. The language can be as simple as:

"All the residue of my estate or $....., I give and devise to the Joseph H. Albers' Trust Fund for Diocesan Vocations, 300 West Ottawa Street, Lansing, Michigan."

Consult with your attorney or call the Bishop's Committee at (517) 372-8540 and they will assist you.
